Pay-per-use rates

Pay-per-use rates apply when traveling without a package, in destinations not included in a package or when a package expires. For rates, visit att.com/intlppurates.

For a list of included Passport Destinations, go to att.com/globalcountries

Additional options for business and government at: att.com/internationalforbiz

Eligibility: Available to business and government customers with a qualified AT&T wireless service agreement (**Business Agreement**) and only for qualified Corporate Responsibility User (CRU) lines of service. Compatible device with domestic postpaid wireless service required.

Charges: One-time charge or monthly-recurring charge applies on a per-device basis. One-time charge packages are valid for 30 days beginning on the chosen effective date, may cross two bill cycles, and expire automatically. Packages will not be prorated if canceled on or after the effective date. Packages canceled prior to the effective date will not incur the charge. Monthly-recurring version of AT&T Passport package requires a 2-month minimum term commitment.

Destinations: Includes talk, text, and data coverage in over 210 destinations listed at att.com/globalcountries and on select AeroMobile® enabled international flights (each a **Passport Destination** or, collectively, the **Passport Destinations**). Coverage not available in all areas. Passport Destinations and rates are subject to change without notice. **Mexico & Canada:** If you have a domestic plan that includes Mexico or Canada, usage in these countries will not diminish the Passport data allowance or bill Passport calling charges. **Latin America:** If you are an AT&T Business Unlimited Elite customer or other qualified customer with Roam Latin AmericaSM for Business, usage in the included Latin American countries will not diminish the Passport data allowance or bill Passport calling charges. See att.com/latamcountries for a list of included countries. **AeroMobile® cellular network on select airlines:** For a list of participating airlines and aircraft, go to <https://www.aeromobile.net/airlines/>. Airlines and aircraft are subject to change without notice. Passengers of qualifying airlines are not guaranteed to be on a flight with mobile coverage on their flights. Device must be on, with Airplane Mode and Wi-Fi turned off and data roaming and cellular data turned on, to use the AeroMobile network. AeroMobile service is available only at greater than 200 nautical miles outside of the U.S. border and above 20,000 feet cruising altitude. In the event of satellite interruption or regulatory constraint, AeroMobile services may be disrupted or disabled.

Data: Actual data speeds vary by device and location. If your domestic plan includes Stream Saver®, or reduces video streaming speed, the same will apply to your Passport package.

Data overage: If you use all your Passport package data, we'll automatically add more data in increments of 1GB for \$30.00 each. Monthly-recurring package data allowance must be used in bill period provided or will be forfeited.

Talk: For phones only. Per-minute charge applies to all cellular calls dialed and accepted in Passport Destinations. **Wi-Fi Calling:** With Wi-Fi Calling, you can call back to the U.S. at no additional charge. Calls to other destinations, including the Passport Destination you're in, are billed at the Passport per-minute rate.

Unlimited text: For phones only. Applies only to AT&T Short Messaging Service (SMS) and Multimedia Messaging Service (MMS) and not to other messaging services or applications that use data, such as iMessage. Unless you have a domestic plan that includes unlimited text, messages received will be charged at your domestic messaging rates.

International Day Pass®: For devices with an active AT&T Passport package and International Day Pass (IDP) for Business or similar IDP offer, IDP charges will apply in IDP Destinations and usage in IDP Destinations will not diminish the Passport data allowance or bill Passport calling charges. If you prefer to use Passport in an IDP Destination, you must remove IDP.

Cruise Packages: For devices with an active AT&T Passport and AT&T Cruise package, cruise ship cellular usage is rated by the AT&T Cruise package. Passport charges will apply to land usage in AT&T Cruise included destinations.

Pay-per-use rates: Apply when package expires, when traveling in destinations not included in Passport and/or when you have not added a package.

Service restrictions: International use aboard cruise ships and on airlines/flights that are not AeroMobile-enabled is not included. Not available for wireless home phone services, connected vehicles, or connected devices. Pay-per-use international rates, found at att.com/intlppurates, will apply.

General: Subject to the applicable Business Agreement. Availability, quality of coverage, and services while roaming are not guaranteed. Additional restrictions may apply.
